

Ghost

Ghost was a stray found in Lake Land Or on July 17, 2012, soaking wet with a serious upper respiratory infection. The Humane Society of Caroline County took her to a veterinarian for treatment. After a few months, she was as good as new.

In May 2013, Ghost was adopted. Her new owner took her right away to a veterinarian to have her declawed, a controversial procedure. Ghost's new owner was not happy with her because she did not get along with the other household cats. In July 2013, Ghost was returned to the HSCC where she stayed until her second adoption.

Ghost finally found her wonderful forever home on October 19, 2013 at the Bowling Green Harvest Festival when Sylvia and Steve Thacker fell in love with her and took her home to Louisa County. Ghost was the HSCC's 100th adoption of 2013!

Ghost now lives in a happy home with three other feline friends. Because she was declawed, she cannot go outdoors. She has an inside buddy named Smokey and 2 outside kitties named Blackie and Milo that come in to play. Ghost now gets lots of love and is getting spoiled.

Earlier this year Ghost ate part of a paper bag and had to go to the vet to get cured. Silly cat. She is fine now and according to the Thacker's she is full of herself and has filled their home with love and joy. They are forever grateful to have found Ghost and the HSCC is so happy that Ghost found the best home ever!
